

Animal Care

Scotland's Rural College (SRUC)

Venues

Aberdeen Campus
Barony Campus
Elmwood Campus
Oatridge Campus

Content

Throughout the course you will develop the skills necessary to prepare you for employment in supervisory and management level jobs within the Animal Care industry, as well as gaining the knowledge to run an animal related business of your own.

Over the two year HND course, you will cover a variety of units which take an in-depth look into specialist animal species, animal ethics and genetics as many others. During this time you will also develop research skills.

Content includes: Animals in Society; Animal Care: Ethics; Genetics; Small Animal Breeding; Animal Behaviour; Animal Welfare.
