

Computer Animation and Digital Art

New College Lanarkshire

Venues

Motherwell Campus

Content

NQ Computer Animation and Digital Art provides the essential underpinning theory, knowledge and design, which are associated with drawing and animation. The course aims to develop your knowledge of, and creative skills in, 2D/3D drawing, design, and animation techniques. You will also enhance your creativity and visual communication skills through digital media creation and design processes.

Modules include:

Opportunity to achieve NC Computer Arts and Animation at SCQF Level 5; Sketchbook Development; Character Creation; Graphic Design; Animation Fundamentals

Also included are the Essential Skills for progression to further study, and an opportunity to participate in work placement abroad for 2 weeks of the course, to enhance employability.
