

Construction Management

New College Lanarkshire

Venues

Motherwell Campus

Content

The HND Construction Management is a technician level qualification that combines a broad-based construction industry specific first-year curriculum with a more specialist second-year curriculum, teaching you the skills you need for employment in this highly demanding sector.

Construction Managers (also known as Project Managers, Site Managers and Site Agents) supervise and direct operations on a construction project to make sure it is completed safely, on time and within budget. To do this well, a Construction Manager needs to be good at organising and planning; motivating and managing people and creatively solving problems

Start Date

August

Qualification

HND

Study Method

Full time

Course Length

1 year

Department

Construction
