

Health, Social and Child Studies (Level 6)

UHI Outer Hebrides

Venues

Outer Hebrides Campus

Content

The aim of the course is to prepare students for progression from college to higher education, employment and/or further training within Health, Social Care or Childcare through the development of knowledge, skills and understanding required to work in the Care sector.

The course includes:

Care Higher; Psychology Higher; NC Health and Social Care level 6 award; SQA units specific to Health, Social and Childcare.

The practical placement allows students to appreciate the qualities, attitudes and skills required before making a final commitment to a caring profession.
