Content

This course is broadly comparable to SCQF Level 5 and is ideal for anyone with an interest in the subject.

With study taking place at Moray School of Art, you will:

explore the materials, methods and processes that support art and design activities; develop the skills, knowledge and understanding required for progression within art and design education;
enhance your self-confidence; understand the career demands and opportunities within art and design.

Providing the perfect opportunity for school leavers or mature learners, this course offers an engaging programme of external speakers, industry relevant projects and, when possible, sector specific field trips.
