

## Finance

University of Dundee

### Venues

City Campus

### Content

The globalization of products and financial markets, fast pace of information technology and dynamic new transaction models are creating a growing need for well-qualified graduates.

Challenging career opportunities exist in the securities and financial services industry, information systems, and corporate financial management.

You'll get the skills you need to work with leading financial institutions from a teaching team committed to providing a stimulating and supportive environment. You can join our Business Society which arranges events, an annual ball and career presentations from visiting firms.
