

Light Vehicle Maintenance and Repair Principles (City and Guilds) Level 6

UHI Moray

Venues

Main campus

Content

This is the ideal course if you are interested in developing a career in the motor industry, whether you want to maintain and repair different types of vehicles (cars, vans, trucks, or even motorcycles), fit and replace parts and tyres, run your own motor vehicle business or work on hybrid vehicles safely.

This course will provide you with understanding and underpinning knowledge required for a Modern Apprenticeship, employment or further study.

This course has been designed to cover component removal, refitting, servicing techniques and fault diagnosis. You will be assessed through observation and written job cards.
