Electrical and Electronic Engineering Pathway

Glasgow Caledonian University

Content

GCU Pathways students enrol at Glasgow Caledonian University on the BEng (Hons) Electrical and Electronic Engineering (GCU Pathways). Over the first two years, you will study HND Mechatronics, HND Electronics or HND Electrical Engineering at the City of Glasgow College in preparation for transfer to the BEng Electrical and Electronic Engineering course in (Hons) year three.

Graduate with an Electrical and Electronic Engineering degree from GCU and you can go on to enjoy a range of careers in digital communications, wireless, engineering and energy sectors plus you have the option to further develop a specialism with master's level study.

This course is accredited by The Institution of Engineering and Technology (IET), one of the world's largest engineering institutions. IET Accreditation is an internationally respected benchmark awarded to high-quality courses that meet the requirements for professional engineers.

During the first two years of the programme you will undertake an HND in Electrical Engineering or HND Electronics at City of Glasgow College

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BEng Hons

UCAS Code

H704

Course Length

4 years

Faculty

School of Computing, Engineering and Built Environment

Department

Electrical and Electronic Engineering

Entry Requirements

2027 entry requirements:
2 Highers at BB including Maths or a science subject.

SCQF Level

11

Progression Routes
