Literature and Creative Writing

UHI Shetland

Lerwick Campus
Virtual Learning Environment (VLE)

Content

Are you passionate about reading? Do you long to study literary works while developing your own styles of writing? Combine all three as you explore literature in a global context, covering a wide range of authors, in English and translation, from the classical to the contemporary, and looking in-depth at language and literary history within texts and on the international literary stage.

Gain a solid grounding in four of the main areas of creative writing: poetry, prose, playwriting, and the screenplay; examine how these can inform and support other areas of professional writing; and, through the programme's carefully structured blend of research, residentials, and creative projects, become a confident, enthusiastic and highly employable writer, researcher, and reader.
