

## Literature and Creative Writing

UHI Shetland

### Venues

Lerwick Campus  
Virtual Learning Environment (VLE)

### Content

Are you passionate about reading? Do you long to study literary works while developing your own styles of writing? Combine all three as you explore literature in a global context, covering a wide range of authors, in English and translation, from the classical to the contemporary, and looking in-depth at language and literary history within texts and on the international literary stage.

Gain a solid grounding in four of the main areas of creative writing: poetry, prose, playwriting, and the screenplay; examine how these can inform and support other areas of professional writing; and, through the programme's carefully structured blend of research, residencies, and creative projects, become a confident, enthusiastic and highly employable writer, researcher, and reader.
