

Creative Music and Sound Production

New College Lanarkshire

Venues

Coatbridge Campus
Cumbernauld Campus

Content

The Creative Music & Sound Production courses at our Coatbridge and Cumbernauld campuses (located just 20 minutes from Glasgow city centre) introduce learners to the many skills and disciplines of audio engineering including: studio recording, live sound, sound design for film and games, sampling, synthesis, remixing and much more. This course is the perfect preparation for our HN-level courses, providing the opportunity to work with our state-of-the-art facilities within a professional industry-standard environment.
