Content

These International Business courses are designed to allow students to combine it with other complementary subjects such as a foreign language (French, German or Spanish) or financial management.

In Levels 1 and 2 students spend approximately two thirds of their time studying International Business with the other third available for complementary courses that take their interest. The core subjects at Levels 1 to 4 are the same as for the BSc International Business single honours degree. The option modules taken at Levels 3 and 4 will reflect the specialism chosen within the combined degree. Individual and group projects are a feature throughout this course.
