Content

Our online (part-time) MBA (Human Resource Management) is ideally suited to individuals who intend to balance their personal and professional commitments and study while working. Designed to deliver accessible, creative and flexible postgraduate business and management education, it offers you choice in how, when and where you study, as well as the option to pursue a specialism in HRM.

The curriculum is tailored for the dynamic contemporary global business environment, focusing on developing skills in leadership, and the application of conceptual management theories to current practice. You'll acquire competencies in innovative and creative problem solving, critical thinking and strategic reasoning.

You'll graduate with business competence and effective management skills, ready to make your mark at the highest level.

Your course structure is based on the online MBA and includes modules from the specialist area of your choice.
