

Commercial Management and Quantity Surveying with Industry Placement (2 years)

Heriot-Watt University

Venues

Edinburgh Campus

Content

Commercial Management and Quantity Surveying at Heriot-Watt is designed to meet the needs of the financial management and quantity surveying sectors. The degree offers a solid theoretical base, combined with a strong focus on industrial relevance.

To enhance your career prospects and international experience, we are now offering our established and standard one year Commercial Management and Quantity Surveying Masters over two years through offering a 'with Industry Placement' alternative.

This Commercial Management and Quantity Surveying with Industry Placement option offers a practical experiential element over the traditional one-year degree structure, allowing students to reflect on theory in practice.

You can exit at the end of 18 months with PgDip Commercial Management and Quantity Surveying with Industrial Placement.
