

Advancing Practice in Medical Imaging (Advancing Practice in Health Framework)

Queen Margaret University

Content

As part of our Advancing Practice in Health Framework, this award pathway will be of interest if you want to advance your practice in the area of medical imaging. It is delivered online and available both full- and part-time.

The medical imaging pathway aims to facilitate the development of knowledge and practical skills that underpin advanced MRI/CT practice. The pathway is based on a model of collaborative multi-professional learning aligned to expectations of the four pillars of advanced practice (Clinical Practice, Leadership, Education and Research).

You can exit with PgDip Advancing Practice in Medical Imaging (Advancing Practice in Health Framework)
