

Advancing Practice in Podiatry (Advancing Practice in Health Framework)

Queen Margaret University

Content

The Podiatry pathway is based on a model of collaborative multi-professional learning aligned to expectations of the four pillars of advanced practice (Clinical Practice, Leadership, Education and Research). There are learning opportunities in areas such as diagnostic investigations for the lower limb, medical imaging of the foot and ankle as well as other modules such as fundamentals of advancing practice, critical analysis, evaluation and research methodologies.

You can exit with a PgDip or MSc.
