

Islamic Finance

University of Dundee

Venues

City Campus

Content

This course is offered in conjunction with Al-Maktoum College.

You will develop your understanding of the application of Islamic commercial law in relation to Islamic financial institutions and financial products, as well as the emergence and working mechanisms of Islamic capital markets.

You will cover the operations of Islamic banks and Islamic financial markets, alongside the nature of risk and its management in Islamic financial institutions

This programme will provide you with the necessary knowledge, technical and analytical skills required to undertake work within the global financial system. The programme contains eight conventional and Islamic finance modules and a short, focused financial-based business report

Start Date

September, January

Qualification

Postgraduate Master's

Study Method

Full time

Award Title

MSc

Course Length

12 months

Department

Business and Finance

Entry Requirements

Generally a good (at least a second class Honours degree or equivalent) first degree in any subject which has enabled the applicant to develop analytical and quantitative skills.

If you are concerned that your qualifications do not meet the normal expectation you may apply, but you should include a short personal statement concerning your general interest in your own education, work experience and prior relevant learning.

Places are limited and early application is advised even for well-qualified candidates.
