

Translation Studies

University of Aberdeen

Venues

Old Aberdeen Campus

Content

Demand for professional translation and interpreting skills is at an all-time high. Equip yourself with the expert practical knowledge and advanced linguistic and cross-cultural communication skills to enter professional life as a translator or an interpreter and benefit from a rewarding and varied career choice.

We offer a broad programme that gives greater flexibility and greater choice to tailor things around your own individual linguistic skills and, just as importantly, around your career aspirations too.

Languages on offer include Arabic, French, Gaelic, German, Irish, Mandarin, Spanish and Welsh. Other languages may be offered based on demand. One of the distinguishing features is that you will have the opportunity to specialise in more than one language pairing, should you want to. This is something that could make you a more attractive candidate to a wider range of future employers. In honing your language knowledge, you will enhance your analytical skills which underpin all language work.

Start Date

September

Qualification

Postgraduate Master's
