

Design and Digital Media

University of Edinburgh

Venues

Central Campus

Content

The Design and Digital Media programme offers opportunities for you to develop new and existing skills and insights in the creative use of current and emerging design practices and technologies for digital media across a range of uses and platforms. Based in a lively, collaborative environment, the programme provides a critical and reflective framework to explore practice-led design and digital media in commercial, cultural and social contexts.

Start Date

September

Qualification

Postgraduate Master's

Study Method

Part time (day)

Award Title

MSc

Course Length

2 years

Faculty

College of Arts, Humanities and Social Sciences

Department

Edinburgh College of Art

Entry Requirements

Normally a UK 2:1 honours degree or its international equivalent. The subject discipline is not as important as aptitude and commitment to study in this area. You must submit a portfolio as part of your application.

Your application may also be considered if you have equivalent professional experience.
