

Construction Skills (Electrical) (City and Guilds)

Ayrshire College

Venues

Ayr Campus

Content

This qualification is an introduction to the electrical industry, and is used to demonstrate types of electrical activities. Learners interested in developing their skills and understanding further will be encouraged to progress onto full qualification options.

If you'd like to learn a trade, then this course is a great place to start. All our trades staff are highly skilled and experienced, and fully committed to sharing their expertise and knowledge with you. Ayrshire College is also recognised as a Centre of Excellence by the Construction Industry Training Board, so there really is no better place for men and women to come and learn a trade!
