

Certificate: Skills for Childcare

Fife College

Venues

Glenrothes (Stenton) Campus

Content

Working with young children and helping them learn essential skills for life is very rewarding and worthwhile.

The course is suited to applicants who limited experience of working with children and academic.

You will develop the knowledge to organise a safe environment for children, to plan for play experiences along with study units that will provide an introduction to Child Development and how to care for a child's needs.

This course also contains a number of college assessed units which will assist in the development of the skills and attitudes required for the progression into the field of Early Years Study, along with a short work placement within a Childcare setting.
