

## Newstart - Creative Industries

Forth Valley College

### Venues

Stirling Campus

### Content

This 19-week course is aimed at learners who want to experience a range of creative subjects whilst simultaneously improving their core skills. Learners will also attend workshops which will facilitate personal development. Personal learning plans will also provide support to learners when applying for future courses. Core skills sessions are a compulsory element of the course.

This course - aimed at SCQF level 4/5 - centres upon an introduction to creative industries and will involve practical workshops. Project work will be decided by a combination of the student cohort, staff expertise and available access to specialist accommodation. Project work can include: painting, drawing, digital media, photography, sculpture, music, radio and more.
