

## **Education**

University of Dundee

#### **Venues**

City Campus

#### **Content**

Our MA (Hons) Education leads to a qualification to teach children in the 3-12 years age range (nursery and primary schools). This course, developed in response to recent national recommendations and other developments in teacher education in Scotland, replaces the old traditional BEd Primary Education course.

The MA (Hons) Education course draws upon modules from across the University as well as offering shared interactive learning with students preparing for careers in social work and community learning and development. This is excellent preparation for collaboration with people from other professions later in your career as a teacher.

#### **Start Date**

September
