

## Forensic Mental Health

New College Lanarkshire

### Venues

Motherwell Campus

### Content

This course is delivered in partnership with New College Lanarkshire and Glasgow Caledonian University. This will enable students who already have an HNC in Healthcare to undertake an additional 20 credit module (Forensic Mental Health) which will act as the entrance qualification for the new MSc in Forensic Mental Health.

Learners will understand the role of forensic mental health services and the impact these services have on individuals with a range of mental health disorders or health conditions.

### Start Date

January

### Qualification

Other

### Study Method

Part time (evening)

### Course Length

6 months

### Department

Health Care and Social Services

### Entry Requirements
