Politics (Combined)

University of Dundee

Venues

City Campus

Content

The choice of modules in Politics is wide-ranging but has a particular focus on the international, European and Transatlantic areas.

Modules deal with topics like 'ideology' or 'policy' in first year; international relations and comparative politics in the second. In the third and fourth years a range of more specialist options is offered - from American to Russian politics, from Scottish politics to gender politics and from international crime and punishment to peacekeeping.

Start Date

September

Qualification

Degree
