

Introduction to Childcare (Level 4)

Glasgow Kelvin College

Venues

East End Campus
Easterhouse Campus
Springburn Campus

Content

The Introduction to Childcare course provides learners with the opportunity to gain knowledge and understanding of the foundations of Early Education and Childcare for children 0-12 years. It is a theory based course that has many practical elements included, involving both group participation and individual tasks.

Learners will have the opportunity to visit a variety of childcare establishments and listen to guest speakers which will assist them in making positive decisions for future study or work.

Child Development; Play in Early Learning and Childcare; Maintenance of a Safe Environment; Community Achievement awards; Working in Early Education and Childcare.

Campus location may be subject to change.
