

Introduction to Skills in Construction (Level 4)

Glasgow Clyde College

Venues

Anniesland Campus
Cardonald Campus

Content

This hands-on introduction will prepare you for a range of trades like joinery, painting, brickwork, roof, wall and floor tiling*. You'll also study the basics of health and safety in construction, team working and gain essential employability skills. If you complete the course successfully, you'll receive an industry-recognised SCQF Level 4 award.

*Please note: The Anniesland campus offers joinery skills and painting and decorating, and at Cardonald you'll study joinery and brickwork skills.

Anniesland Campus
