

## Mechanical Engineering (in conjunction with University of Glasgow)

Glasgow Kelvin College

### Venues

Springburn Campus

### Content

On this course you will gain knowledge and will be given opportunities to apply what you have learned, and in doing so develop skills such as problem solving and critical analysis, both essential to a career in engineering.

Content:

Engineering Mathematics, Thermofluids, Engineering Principles, Statics and Strength of Materials, Dynamics, Pneumatics and Hydraulics, AC and DC Principles, Materials Selection, Computer Aided Draughting, Graded Unit.

Campus location may be subject to change.

### Start Date

August

### Qualification

HNC

### Study Method

Full time

### Course Length

2 years

### Department

Engineering

### Entry Requirements

2 Highers including Maths at B; or Foundation Apprenticeship Engineering; or Access Stem or Access Engineering.

### SCQF Level

7

### Progression Routes

2nd year entry to University of Glasgow

## Address

123 Flemington Street  
Glasgow  
Glasgow City  
G21 4TD
