Design Practice (in conjunction with University of the West of Scotland) (3rd year entry)

City of Glasgow College

Venues

City Campus

Content

This course will be predominantly practice-based with a strong focus on understanding the multi-disciplinary requirements of Creative Industries. The distinctive profile of this course will allow you to work with others from a variety of different HND design subject areas.

This approach will give you an opportunity to respond in a totally new way, reinforcing the importance of developing a collaborative approach to your practice.

Throughout the course, there will be a strong focus on how you develop additional skills, such as critical engagement, self-management, problem-solving, responsibility, adaptability and networking, which are highly prized by employers and necessary for self-employment.

Industry partners who have supported the course include - HLM Architects, INTL Assembly, Emer Tumulty, Keppie Design Ltd. Paris Collage Collective, Birmingham Print Club, Graven, 360 Architecture, Laura Perryman, Milan Doctor, The Marie Trust, Jamie Johnson, GF Smith.
