

Engineering: Mechanical

City of Glasgow College

Venues

Riverside Campus

Content

This one year course gives you the skills, knowledge and understanding that you'll need for a career in mechanical engineering. On completion of this course you can continue to the 2nd year of the HND programme, apply to study at degree level or move into a technical-level job within industry.

You'll be able to use state-of-the-art facilities at the college – such as the fully equipped mechanical lab, pneumatic and hydraulic rigs and computer suites running CAD software.

You'll be taught by staff with significant engineering experience and a proven track record of bringing out the best in their students.

Start Date

August

Qualification

HNC

Study Method

Full time

Course Length

1 year

Department

Engineering

Entry Requirements

2 Highers including Maths, and preferably Physics or Engineering Science; or NC Mechanical Engineering (Level 6); or other relevant national qualifications at SCQF Level 6. Interview.

SCQF Level

7
