Light Vehicle Maintenance and Repair Principles (IMI) Diploma at SCQF Level 5

West College Scotland

Venues

Clydebank Campus
Greenock (Finnart Street) Campus
Paisley Campus

Content

This course is designed to engage and motivate candidates who are interested in learning about the automotive retail industry. It is aimed at learners who prefer and respond to 'hands-on' learning. Therefore, it has a practical approach to assessment and includes many visual questioning techniques which will stimulate and interest learners.

The Diploma is ideal for those learners who wish to undertake a qualification which will support their progress to a higher-level. It can also supplement their progress to Nationals and other appropriate destinations such as Employment, a Modern Apprenticeship (Day Release) or to the next level of study.

Start Date

August

Qualification

Other

Study Method

Full time

Course Length

1 year

Department

Motor Vehicle
