Access to Paramedic Science and Health (SWAP)

New College Lanarkshire

Venues

Motherwell Campus

Content

This course is an ideal stepping-stone for an individual who wishes to, more quickly, gain entry to a degree qualification without the need for sitting formal SQA higher-grade qualifications.

Although Paramedic Science is the main goal for most, you will be able to apply to other related courses including Nursing, Podiatry, Food Science, Nutrition, Bioscience and Microbiology.

Content:

The course consists of units that include:-

Anatomy and Physiology – Level 5 and 6; Higher Care: Development and Behaviour, Social Influences and Values and Principles; First Aid; Mental Health Understanding; Chemistry – Level 5 and 6; Numeracy and preparation for the numeracy entry exam; Human Biology: Human Cells; Communications and Literature 1

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year

Department

Dental, Health and Social Care

Entry Requirements

You should have a minimum of 4 clear years out of formal education (ideally 5 years). You must have some experience working as a qualified First Aider, working within a care setting or have voluntary experience with local First Aid Responder groups or similar. People with experience working in other uniformed organisations will also be strongly considered.

You will require a satisfactory criminal record check from Disclosure Scotland to show that you are suitable for this type of course. Contact Disclosure Scotland for details on the type you would need.
