

Access to Paramedic Science (SWAP)

New College Lanarkshire

Venues

Motherwell Campus

Content

Do you see your next step in life working in the fast-paced environment working on the road helping to save people's lives?

As a partner with the Scottish Wider Access Programme in the West of Scotland, we have devised a course programme that will fulfil the requirements for progression for mature students whose ultimate career goal is as a Paramedic.

The course is an ideal stepping-stone for an individual who wishes to, more quickly, gain entry to a degree qualification without the need for sitting formal SQA higher-grade qualifications.

Although Paramedic Science is the main goal for most, you will almost certainly be thinking about other medical related courses that are equally as interesting and in demand, such as, podiatry, food science and nutrition, biomedical science, bioscience, microbiology etc. we will help guide you to a final destination.

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year

Department

Health Care and Social Services

Entry Requirements

No formal qualifications. Participation at an information session, skills assessment and interview forms part of the selection criteria.

You will require a satisfactory criminal record check from Disclosure Scotland to show that you are suitable for this type of course. Contact Disclosure Scotland for details on the type you would need.
