

# Quantity Surveying and Commercial Management

Robert Gordon University

## Content

Do you fancy learning a dynamic blend of construction, finance, contracts and sustainability that can lead to career opportunities worldwide? This course is a stepping stone for those who see their future careers in the financial management and leadership of projects within the built environment.

This course benefits from project-based assessments which strongly reflect contemporary professional practice. It is also accredited by the Royal Institution of Chartered Surveyors (RICS), Chartered Institute of Building (CIOB) and the Chartered Institution of Civil Engineering Surveyors (CICES) which provide access to student membership resources and opportunities such as student competitions and awards.

You will have the opportunity to pick your industrial placement, including overseas opportunities, in stage 3 of your course.

You will participate in a final year module delivered by industry professionals.
