Introduction to Beauty Therapy (Level 4)

North East Scotland College

Venues

Aberdeen City Campus
Fraserburgh Campus

Content

The course will develop your understanding and enable you to develop basic practical techniques in make-up, skin and hand care, nail art, manicure and pedicure treatments. You will also learn skills and techniques for photographic make-up and creating a hair and beauty image.

The topics covered will ensure you have a firm grasp of health and safety, how to present yourself professionally in a salon, how to carry out effective team work and reception duties.

Subjects Include:
Working on real clients; Personal presentation and the careers available in the hair and beauty industry; Consultation and health and safety; Skin care and basic make-up; Manicure and pedicure; Photographic make-up skills; Reception duties; Working as a team.
