

## Early Education and Childhood Practice (Level 6)

Borders College

### Venues

Galashiels/Scottish Borders Campus

### Content

This National Certificate (NC) Childhood Practice provides a comprehensive course on a range of topics, both theory and work practice-related, that will aid you in developing and enhancing the knowledge, skills, values and competencies for those wishing to work with, or already working with, children and young people in a childhood practice setting.

Learners will be given opportunities to explore child development, advocate for children's rights, design effective play activities, and foster an inclusive curriculum. They will also have the chance to deepen their understanding of the roles of professionals and services that support children and families, enhancing their personal growth.

Additionally, there will be hands-on learning experiences and opportunities to complete a work placement in a relevant setting.
