Content

The HND Sports Therapy builds on the HNC Soft Tissue Therapy and provides you with an industry recognised qualification, and the knowledge and skills necessary to work as a sports therapist. It also prepares you to progress onto a degree in sports therapy or another higher education award in a related field.

If you are interested in a career that involves working with people in the sports industry in the maintenance or improvement of their sporting performance and treating and rehabilitating injuries that affect their output, then this is the course for you.
