### Content

If you are interested in a career that involves working with people in the sports industry, in the maintenance or improvement of their sporting performance, then BSc (Hons) Sports Therapy and Rehabilitation is the course for you.

There are a growing range of employment opportunities for people who want to work in sports therapy. There is also increasing appreciation that people who are involved in sport – whether at professional, amateur or recreational level – need appropriate and specific support to avoid injury, treat injury and plan and provide appropriate post-injury rehabilitation.

This course combines both the scientific knowledge and practical skills necessary to become an accomplished sports therapist. You will be taught by our expert team of sports therapy and rehabilitation professionals and have access to excellent on-campus sports facilities. In addition, work placement opportunities will enable you to relate your acquired theoretical knowledge to real-life practices.
