Content

If you enjoy working with children and would like to make a difference to their formative years, the HNC Childhood Practice is the ideal course for you.

This is a nationally recognised qualification and valued award for people who want to work in a variety of early learning and childcare settings, supporting children and young people with varying needs.

This course will give you a deep understanding of working with children and young people, and will help you to integrate knowledge and theory into practice, including the importance of anti-discriminatory practice in line with the National Care Standards and Scottish Social Services Council Codes of Practice.

On successful completion you will be eligible to register with the Scottish Social Services Council (SSSC) at practitioner level.
