Content

Are you an experienced professional looking to progress to higher leadership and management roles?

The MBA Resilience is part of a brand new suite of MBAs, designed to provide leadership and management skills across the areas of Aviation, Environmental Management, Executive and Resilience.

The programme will develop your theoretical knowledge, practical wisdom, strategic managerial and personal skills essential for successful career enhancement in organisations with a global outlook. Our MBA programmes aim to provide you with the comprehensive knowledge, skillset and understanding required to enable you to become a senior manager or to enhance career progression to a higher level.

You can exit after 2 years with PgCert.

You can exit after 3 years with PgDip.
