Content

This course is suited to learners seeking to enhance their creative skillset, develop their visual awareness and build a substantial portfolio of high-quality work. Aspiring artists who enter this programme will be exposed to fantastic art and design facilities, including expert tuition from a range of professional artists. Throughout this course, learners will have the opportunity to acquire, explore and hone their artistic skills. These will include: life drawing and painting; contextual studies; observational drawing; mixed media; printmaking; digital art forms; photography; conceptual art and 3D practice.
