

Social Services and Healthcare

Fife College

Venues

Dunfermline (Halbeath) Campus
Levenmouth Campus

Content

The aim of this course is to enable people working in a care environment to improve their working practice by developing their skills, knowledge and understanding of their role in the workplace. This course will allow staff to register with the Scottish Social Services Council (SSSC).

You will undertake this qualification in your own workplace. The course is designed by the care industry for people working in a care environment. It is currently being offered to candidates working in hospitals, nursing homes, the community, residential homes and any other appropriate care setting such as support workers.
