

Professional Golf

Scotland's Rural College (SRUC)

Venues

Elmwood Campus

Content

You will gain the knowledge and understanding of the basic principles of golf coaching and the sports science which supports performance in golf. You will develop skills, knowledge and understanding of working with beginner and improver performers in golf and how to analyse and develop performance using a range of coaching methods and equipment including video and performance analysis software. You will also gain the necessary knowledge and experience of retail, equipment repair and operational aspects of working in a golf facility.

Example modules: Golf Coaching: An Introduction; Equipment Technology; Golf Operations; Principles of Fitness Training and Work Placement.
