Business Management and French

Open University in Scotland

Content

Learn key business management skills alongside French and gain an advantage in the global workplace. You'll divide your study equally between both subjects, gaining a broad understanding of business management and a solid foundation in French. In business, you'll explore core areas such as marketing, finance and human resources. You'll develop your understanding of French and how it's used in different settings. Studying French alongside business strengthens your communication skills and broadens your options, with a named certificate showcasing your French and supporting both career opportunities and progression to further study.
