

Law and French

Open University in Scotland

Content

Combining law with French is both stimulating and a smart career move. You'll divide your study equally between both subjects. With this degree you'll raise your legal awareness and acquire skills of legal analysis and methods. The study of French opens doors to French-speaking cultures and communities, and can provide a key to the global workplace.

This isn't a qualifying law degree. You'd need a further qualification before you could train as a solicitor or barrister.

The law modules in this qualification cover the legal system in England and Wales only, not any other parts of the UK.

Start Date

October, February

Qualification

Degree

Study Method

Online learning

Award Title

BA Hons
