

Business and Law

Open University in Scotland

Content

Whether you're starting out or building on experience, this dynamic diploma offers a solid foundation in business and law. You'll explore how organisations function, study marketing and strategy, and develop your understanding of civil justice, contracts, and employment law. Along the way, you'll strengthen your critical thinking and problem-solving skills while learning how business and legal systems interact. Through case studies and real-world examples, you'll gain the tools to navigate complex challenges with confidence. Whether you're aiming for a new career, further study, or professional development, this diploma prepares you to succeed in today's fast-evolving business and legal landscapes.
