Content

Supported Learning Programme is for you if you have recognised support needs. You can attend some or all classes in a range of subjects. You will take part in creative and social activities and develop new skills and also have the chance to meet with friends in a friendly and supportive environment.

This course provides a positive environment where students with additional support needs can learn and achieve. Our classes are designed to enable and empower you to reach your full potential by developing your knowledge and skills for independence through a broad range of subjects.
