Mallaig Campus
Portree Campus
Strontian Campus
Ullapool Campus

Content

Through learning about physics, you will develop an interest in and understanding of the material world. You will engage in a wide range of investigative tasks, which will allow you to develop important skills to become creative, inventive and enterprising, in a world where the skills and knowledge developed by physics are needed across all sectors of society.

If you are considering a career in engineering, marine or construction sectors this might be for the course for you.

Start Date

September

Qualification

Higher

Study Method

Part time (evening)

Course Length

34 weeks

Department

Science and Environment

Entry Requirements

National 5 Physics. Interview.

SCQF Level

6

Cost

£270.00

Address

Carmichael Way
Fort William
PH33 6FF

Website
