Content

If you want to work with children and young people, this course will give you a broad understanding of all aspects of child development.

It is an excellent course to allow you to explore the many different specialities and career paths open to you in this sector.

This NC will help you gain entry to Higher Education courses, degrees and teacher training.

You will spend two days a week in a work placement in a nursery or early years class. You'll get a truly hands-on learning experience, working with professionals to understand the links between theory and practice.

Start Date

August
