

Awareness of Dementia (NCFE)

North East Scotland College

Venues

Off campus

Content

This qualification is for learners aged 16 and above, and aims to increase your knowledge and understanding of practices in the care of individuals with dementia. It does not infer competence in a work role, but can be used as professional development for those who wish to gain knowledge in this specialist area of practice. The qualification is accredited by the NCFE — a national awarding organisation.

Start Date

May, August
